EXAMINER'S AMENDMENT

1. Authorization for this Examiner's Amendment was given in a telephone interview with Mr. Robert F. Gazdzinski (Reg. No. 39,990) on April 22, 2005.

In the Claims:

Cancel claims 52 and 53.

Reasons for allowance

2. The following is an examiner's statement of reasons for allowance:

Applicant's claimed invention distinguished over the prior art for the following reasons. The claims are allowable over the prior art of record because none of the references, either alone or in combination, discloses or renders obvious the method for distributing application on a cable network, comprises the steps of disposing at least one server portion on at least one of a plurality of servers of the network, disposing at least one client portion on at least one of a plurality of client devices of the network and dynamically allocating a mutable module at either at least one of the servers or at least one of the client devices to maintain client/server partition.

Conclusion

3. Any comments considering necessary by applicant must be submitted no later than the payment of issue fee and, to avoid processing delays, should preferably accompany the issue fee.
